Subject: Fw: Financial Emergency Amendment

The attached amendment which I faxed to you last night will be offered in the Senate this morning and reflects compromise among FSBA, FADSS, FEA, FLDOE and chairman Steve Wise. Our district has not been mentioned in this discussion, but I want to make you aware of this and let me know if you have any major application (I know the philosophical) problems that require tweaking.

We'll be in conference late today. Feel free to call as needed.

Vern
